1. Between 1 and 3 p.m. on 24 October 1951, 8 MiG-15s, 2 twin-engine transports, and an estimated 8 planes of an undetermined type were parked at Finow airfield. A white 2 and a vertical stripe were observed on one twin-engine transport. (1) There was no flying. [redacted] 25X1C

25X1C [redacted]

2. There was no flying at the field between 15 and 20 October. At about 4 p.m. on 18 October, five MiG-15s covered with tarpaulins were parked on the northeastern edge of the field. Tracks [redacted] entered and left the field. No outgoing or incoming shipments were observed between 15 and 20 October. 25X1C

3. The status of the radio installations in forest-subarea (Jagen) 175 and the two huts in Jagen 215 were unchanged. (3) A low wooden building about 6 x 3 x 3 meters was being erected about 10 meters from the four masts of the radio installation in Jagen 216. On top of this building there was a superstructure about 3 x 3 meters which was not completed.

4. At 12:30 p.m. on 24 October, eight jet fighters arrived at the field. On 27 October, the field was occupied by 22 jet fighters, 2 biplanes, 1 twin-engine low-wing monoplane, and an estimated additional 6 jet fighters. (4) Motor vehicles observed at the field included [redacted] 25X1  
[redacted] All of them were occupied by soldiers who wore black-bordered blue epaulets. 25X1

25X1 [redacted] Comments.  
(1) Transports with these markings have not been previously observed in the Soviet Zone of Germany. They do not belong to the two air transport regiments which are permanently stationed in the Soviet Zone of Germany.  
(2) Motor vehicles [redacted] have not been observed in the Soviet Zone of Germany before. It is possible that the vehicle came from U.S.S.R. However, the arrival of air force units from the U.S.S.R. has not been observed. 25X1C
